

## ANTIBODIES, PROTEIN OR BIOSIMILAR

| SKU      | Description              | Applications    |
|----------|--------------------------|-----------------|
| TP723924 | Human BCMA Protein       | ELISA           |
| TP723925 | Human CS1 Protein        | ELISA           |
| TP723926 | Human CD123 Protein      | ELISA           |
| TP723927 | Human CD38 Protein       | ELISA           |
| TP723928 | Human CD22 Protein       |                 |
| TP723929 | Human CD138 Protein      | ELISA           |
| TP723930 | Human FLT3 Protein       | ELISA           |
| TP723931 | Human CD47 Protein       | ELISA           |
| TP723932 | Human SIRP alpha Protein | ELISA           |
| TP723933 | Human 2B4 Protein        | ELISA           |
| TP723934 | Human 4-1BB Protein      | Flow Cyt        |
| TP723935 | Human B7-H3 Protein      | ELISA           |
| TP723936 | Human CD27 Protein       |                 |
| TP723937 | Human CD28 Protein       | ELISA, Flow Cyt |

|          |                           |                 |
|----------|---------------------------|-----------------|
| TP723938 | Human CD40 Protein        | ELISA           |
| TP723939 | Human CD48 Protein        | ELISA           |
| TP723940 | Human CTLA-4 Protein      | ELISA, Flow Cyt |
| TP723941 | Human GITR Protein        |                 |
| TP723942 | Human GITR Protein        | Flow Cyt        |
| TP723943 | Human GITR Ligand Protein |                 |
| TP723944 | Human OX40L Protein       | Flow Cyt        |
| TP723945 | Human OX40 Protein        | Flow Cyt        |
| TP723946 | Human PD-L1 Protein       | ELISA           |
| TP723947 | Human SLAMF1 Protein      |                 |
| TP723948 | Human PD-1 Protein        | ELISA           |
| TP723949 | Human ICOS Protein        | ELISA           |
| TP723950 | Human CD155 Protein       | ELISA           |
| TP723951 | Human CD96 Protein        | ELISA           |
| TP723952 | Human B7-H2 Protein       | Flow Cyt        |
| TP723953 | Human TIM3 Protein        | ELISA           |

|          |                                      |                 |
|----------|--------------------------------------|-----------------|
| TP723954 | Human MSLN(296-580) Protein          | ELISA           |
| TP723955 | Human IL6 Protein                    | ELISA, Flow Cyt |
| TP723956 | Human FLT3 Ligand Protein            | ELISA           |
| TP723957 | Human B7-2 Protein                   |                 |
| TP723958 | Human BCMA Protein                   | ELISA           |
| TP723959 | SARS-CoV-2 (2019-nCoV) S protein RBD | ELISA           |
| TP723960 | Human CD33 Protein                   |                 |
| TP723961 | Human CD30 Ligand Protein            | ELISA           |
| TP723962 | Human CD70 Protein                   | ELISA           |
| TP723963 | Human BAFF Protein                   | ELISA           |
| TP723964 | Human BAFF-R Protein                 | ELISA           |
| TP723965 | Human EPHA3 Protein                  | ELISA           |
| TP723966 | Human BTLA Protein                   | ELISA           |
| TP723967 | Human DNAM-1 Protein                 | ELISA           |
| TP723968 | Human 4-1BB Ligand Protein           |                 |
| TP723969 | Human BTN3A1 Protein                 |                 |

|          |                         |       |
|----------|-------------------------|-------|
| TP723970 | Human SLAMF5 Protein    |       |
| TP723971 | Human NTB-A Protein     |       |
| TP723972 | Human ICAM-1 Protein    |       |
| TP723973 | Human CLDN6 Protein     |       |
| TP723974 | Human GPRC5D Protein    | ELISA |
| TP723975 | Human CSF1R Protein     |       |
| TP723976 | Human EPCAM Protein     |       |
| TP723977 | Human FCGR3A Protein    |       |
| TP723978 | Human AXL Protein       |       |
| TP723979 | Human CEACAM5 Protein   |       |
| TP723980 | Human ACE2 Protein      | ELISA |
| TP723981 | Human ACE2 Protein      | ELISA |
| TP723982 | Human IL2RB Protein     |       |
| TP723983 | Human TNF alpha Protein |       |
| TP723984 | Human NKG2D Protein     |       |
| TP723985 | Human NKp30 Protein     | ELISA |

|          |                                      |       |
|----------|--------------------------------------|-------|
| TP723986 | Human CD114 Protein                  |       |
| TP723987 | Human PSCA Protein                   |       |
| TP723988 | Human IL5 Protein                    |       |
| TP723989 | Human SELP Protein                   |       |
| TP723990 | Human HER3 Protein                   |       |
| TP723991 | Human CD37 Protein                   |       |
| TP723992 | Human SIGLEC10 Protein               |       |
| TP723993 | Human IL5RA Protein                  |       |
| TP723994 | Human TIGIT Protein                  | ELISA |
| TP723995 | Human SIGLEC15 Protein               |       |
| TP723996 | SARS-CoV-2 (2019-nCoV) Nucleocapsid  | ELISA |
| TP723997 | SARS-CoV-2 (2019-nCoV) S protein RBD | ELISA |
| TP723998 | Human PD-1 Protein                   |       |
| TP723999 | Human PD-1 Protein                   | ELISA |
| TP724000 | Human TweakR Protein                 |       |
| TP724001 | Human CD7 Protein                    |       |

|          |                           |                 |
|----------|---------------------------|-----------------|
| TP724002 | Human TNFRSF10B Protein   |                 |
| TP724003 | Human CD200 Protein       |                 |
| TP724004 | Human IL17RA Protein      |                 |
| TP724005 | Human CD34 Protein        |                 |
| TP724006 | Human CD5 Protein         |                 |
| TP724007 | Human CD162 Protein       |                 |
| TP724008 | Human B7-1 Protein        | ELISA, Flow Cyt |
| TP724009 | Human B7-2 Protein        | ELISA, Flow Cyt |
| TP724010 | Human CD27 Protein        | ELISA           |
| TP724011 | Human CD48 Protein        | ELISA           |
| TP724012 | Human 2B4 Protein         | ELISA           |
| TP724013 | Human GITR Ligand Protein |                 |
| TP724014 | Human CTLA-4 Protein      | Flow Cyt        |
| TP724015 | Human PD-L1 Protein       |                 |
| TP724016 | Human CD30 Protein        | ELISA           |
| TP724017 | Human ICOS Protein        |                 |

|          |  |       |
|----------|--|-------|
| TP724018 | Human CD155 Protein                                  | ELISA |
| TP724019 | Human CD70 Protein                                   |       |
| TP724020 | SARS-CoV-2 (2019-nCoV) S protein RBD                 | ELISA |
| TP724021 | SARS-CoV-2 (2019-nCoV) S1 protein NTD                |       |
| TP724022 | SARS-CoV-2 (2019-nCoV) S1 protein NTD                |       |
| TP724023 | SARS-CoV-2 (2019-nCoV) S1 protein NTD                |       |
| TP724024 | SARS-CoV-2 (2019-nCoV) S1 protein CTD                |       |
| TP724025 | SARS-CoV-2 (2019-nCoV) S protein RBD                 | ELISA |
| TP724026 | SARS-CoV-2 Spike-Membrane Recombinant Fusion Protein |       |
| TP724027 | Human IgG1-Fc Protein                                |       |
| TP724028 | Human Trop2 Protein                                  | ELISA |
| TP724029 | Human 4-1BB Protein                                  |       |
| TP724030 | Human BAFF-R Protein                                 |       |
| TP724031 | SARS-CoV-2 (2019-nCoV) Nucleocapsid                  |       |
| TP724032 | Human TIGIT Protein                                  | ELISA |
| TP724033 | Human TIGIT Protein                                  | ELISA |

| SKU      | Description  | Applications          |
|----------|--|-----------------------|
| TA355164 | SIRP alpha (SIRPA) Rabbit Monoclonal Antibody [Clone ID: DM8]    | ELISA, FC, IF, IP     |
| TA355165 | SARS-CoV-2 N Protein Rabbit Monoclonal Antibody [Clone ID: DM22] | ELISA                 |
| TA355166 | CD22 Rabbit Monoclonal Antibody [Clone ID: DM12]                 | ELISA, FC, IF, WB     |
| TA355167 | CD22 Rabbit Monoclonal Antibody [Clone ID: DM13]                 | ELISA, FC, IF, IP, WB |
| TA355168 | CD22 Rabbit Monoclonal Antibody [Clone ID: DM14]                 | ELISA, FC, IF, IP     |
| TA355169 | SLAMF7 Rabbit Monoclonal Antibody [Clone ID: DM9]                | ELISA, FC, IF, IP     |
| TA355170 | SLAMF7 Rabbit Monoclonal Antibody [Clone ID: DM10]               | ELISA, FC, IF, IP     |
| TA355171 | SLAMF7 Rabbit Monoclonal Antibody [Clone ID: DM11]               | ELISA, FC, IF, IP     |
| TA355172 | SARS-CoV-2 N Protein Rabbit Monoclonal Antibody [Clone ID: DM23] | ELISA                 |
| TA355173 | S Protein Rabbit Monoclonal Antibody [Clone ID: DM24]            | ELISA                 |
| TA355174 | S Protein Rabbit Monoclonal Antibody [Clone ID: DM25]            | ELISA                 |
| TA355175 | BCMA (TNFRSF17) Rabbit Monoclonal Antibody [Clone ID: DM4]       | FC, FN                |
| TA355176 | BCMA (TNFRSF17) Rabbit Monoclonal Antibody [Clone ID: DM16]      | FC, FN                |
| TA355177 | S Protein Rabbit Monoclonal Antibody [Clone ID: DM26]            | ELISA, FC             |
| TA355178 | S Protein Rabbit Monoclonal Antibody [Clone ID: DM27]            | ELISA, FC             |

|          |  |                   |
|----------|--|-------------------|
| TA355179 | CD38 Rabbit Monoclonal Antibody [Clone ID: DM28]                 | ELISA, FC         |
| TA355180 | CD38 Rabbit Monoclonal Antibody [Clone ID: DM29]                 | ELISA, FC         |
| TA355181 | CD38 Rabbit Monoclonal Antibody [Clone ID: DM30]                 | ELISA, FC         |
| TA355182 | S Protein Rabbit Monoclonal Antibody [Clone ID: DM35]            | ELISA, FC         |
| TA355183 | SARS-CoV-2 N Protein Rabbit Monoclonal Antibody [Clone ID: DM36] | ELISA             |
| TA355184 | BCMA (TNFRSF17) Rabbit Monoclonal Antibody [Clone ID: DM16]      | ELISA, FC, IF, IP |
| TA355185 | IL3RA Rabbit Monoclonal Antibody [Clone ID: DM31]                | ELISA, FC         |
| TA355186 | IL3RA Rabbit Monoclonal Antibody [Clone ID: DM33]                | ELISA, FC         |
| TA355187 | IL3RA Rabbit Monoclonal Antibody [Clone ID: DM34]                | ELISA, FC         |
| TA355188 | SARS-CoV-2 N Protein Rabbit Monoclonal Antibody [Clone ID: DM37] | ELISA             |
| TA355189 | SARS-CoV-2 N Protein Rabbit Monoclonal Antibody [Clone ID: DM38] | ELISA             |
| TA355190 | S Protein Rabbit Monoclonal Antibody [Clone ID: DM39]            | ELISA             |
| TA355191 | S Protein Rabbit Monoclonal Antibody [Clone ID: DM40]            | ELISA             |
| TA355192 | S Protein Rabbit Monoclonal Antibody [Clone ID: DM41]            | ELISA             |
| TA355208 | BCMA (TNFRSF17) Rabbit Monoclonal Antibody [Clone ID: DM4]       | ELISA, FC, IF, IP |
| TA355209 | BCMA (TNFRSF17) Rabbit Monoclonal Antibody [Clone ID: DM6]       | ELISA, FC, IF     |

| SKU      | Description   | Applications |
|----------|---|--------------|
| TA355193 | CD47 monoclonal antibody (magrolimab biosimilar)              | ELISA, FC    |
| TA355194 | CS1 monoclonal antibody (elotuzumab biosimilar)               | ELISA, FC    |
| TA355195 | CD123 monoclonal antibody (talacotuzumab biosimilar)          | ELISA, FC    |
| TA355196 | CD38 monoclonal antibody (daratumumab biosimilar)             | ELISA, FC    |
| TA355197 | CD70 monoclonal antibody (vorsetuzumab biosimilar)            | ELISA, FC    |
| TA355198 | PD-1 monoclonal antibody (pembrolizumab biosimilar)           | ELISA, FC    |
| TA355199 | IL6 monoclonal antibody (siltuximab biosimilar)               | ELISA, FC    |
| TA355200 | TIM3 monoclonal antibody (cobolimab biosimilar)               | ELISA, FC    |
| TA355201 | PDL1 monoclonal antibody (atezolizumab biosimilar)            | ELISA, FC    |
| TA355202 | B7-H3 monoclonal antibody H3 (enoblituzumab biosimilar)       | ELISA, FC    |
| TA355203 | SARS-CoV-2 monoclonal antibody (CB6 biosimilar)               | ELISA, FC    |
| TA355204 | ICOS monoclonal antibody (vopratelimab biosimilar)            | ELISA, FC    |
| TA355205 | SARS-CoV monoclonal antibody (CR3022 biosimilar)              | ELISA, FC    |
| TA355206 | CD138 monoclonal antibody (indatuximab ravtansine biosimilar) | FC           |
| TA355207 | CD33 monoclonal antibody (gemtuzumab ozogamicin biosimilar)   | FC           |
